Description

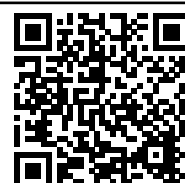

A truly spectacular vintage engagement ring. It's unusual to find a baguette cut diamond as large as this and this stone – graded by HRD Antwerp as J colour, VS2 clarity – makes you wonder why. The icy and bright centre seems almost to glow from within. The stone is secured by four claws with fine diamond shaped detailing in the gallery. The split shoulders are set with four (two each side) further baguettes and two (one each side) square step cuts, leading to a slim D-shaped shank. Unique, impressive, beautiful. Accompanied by a diamond grading report from HRD Antwerp (#210000182371). Cut – Baguette cut in the centre. The diamonds in the shoulders are baguette cuts and square step cuts. Colour – J. The diamonds in the shoulders are G to H. Clarity – VS2. The diamonds in the shoulders are VS1 to SI1; all are clean to the naked eye. Carat – 2.43 in the centre. With a further approximate 0.44 carat in the shoulders. Circa – 1925. Size – N (UK) or 6.5 (US). Complimentary sizing is available, can be sized up or down. Measurements – The centre diamond is 11.42 x 5.59mm. Sits 5.2mm from the finger. Metal – Platinum. Tested. Video - To view a video of this ring recorded...
