Description

Wonderfully stylish Art Deco 1930's crystal glass decanter set which comes with six matching glasses and decanter with stopper, the whole being heavily enamelled with geometric floral decoration. Glass is an attractive frosted etched design in a warm yellow /amber colour and red enamel with silver collar neck to the decanter. The condition is great with just minor signs of age, odd little marks here and there but absolutely no damage, all are free from chips, nibbles etc., some clouding to the base. This set oozes quality and we know the new lucky owner will be nothing less than absolutely delighted with it. FREE UK MAINLAND DELIVERY
