Description

Featured here we have this stunning 19th Century Rococo wardrobe. This Wardrobe displays smooth curves with intricate ornate design, typical of its time. "Bleach blonde" toned pine, which has been recently stripped ready for waxing or painting. In our opinion this piece would look lovely painted - please contact us for a quote for painting. The doors and sides are panelled, with the doors having a very nice large porcelain knob handle and a fully working lock with key. Inside is split into two sections. We will fit new brass hanging rails to either side, or you could have shelves fitted (for folded clothing) instead to either or both sides. As this wardrobe is very tall we could fit a single shelf above the hanging rail(s). Please let us know of your requirements. At the bottom are two large drawers with original ornate drop handles. Can be purchased in the bare wood for £1,000 or wax polished for £1,127. Height 92", Width 65.5", Depth 24.5", Internal Depth 17.5"
