Description

This is a superb set of 6 antique/vintage sterling silver lobster picks in their original case. They each measure 8" (20 cms) long and all have matching hallmarks for Sheffield 1953 with the silversmiths marks for Frank Cobb & Co. They weigh 232 grams / 7.4 troy oz the lot which gives you some idea of the quality. They are all in excellent condition and look as though they've hardly been used - particularly nice as they come in their original presentation case with the retailers mark for James R Ogden of London & Harrogate. This will come with a certificate of authenticity. Free worldwide fully insured shipping
