Depth = 15.2 cm (6.0")

Description

This is an attractive and small dial clock with an unusual 24 hour dial in excellent and original condition. The eight day duration, gut fusee movement with rectangular plates, large lenticular pendulum bob and Anchor Recoil escapement. Behind an eight inch diameter, flat painted iron dial with minute ring, outer black Arabic numerals and unusually 13 to 24 hour markings in Arabic numerals. Behind a glazed and hinged, polished brass bezel. Contained in a solidly made, plain mahogany case with a rounded bottom, curved and cockbeaded locking door and also, side door. The price is for the clock in present working condition and any further restoration work that you require will be subject to a further cost and waiting time. The purchased item can be collected at a time mutually agreed or if required, delivery can be arranged for which we are happy to provide a quotation.
