## Description

One of the best hall lanterns that we have seen for sometime. It comes complete with a ceiling fitting. The 4 bevelled and cut glass panels can be easily unscrewed for cleaning. The gilding has a beautiful mellow patina, unlike brassy or modern examples. It is cast in a very heavy gauge weighing 8.9 kg or 15 lb. This beautiful hall lantern would have been made for one of the finest of homes. A truly stunning addition to the entrance of your home.
