Description

Rare 1930's Roger Guerin (1896-1954) "To Arms" Vase This is a nice stoneware vase/lamp base by the Belgium potter Roger Guerin (1896-1954) The vase/lamp base is from the "To Arms" series as the shape of these vases are first of all in the trend of 16th century German stoneware with seals and sgraffito coats of arms in the Cologne ware style. The vase/lamp base has three small handles , a seal to the front depicting a dancing couple, a stylised flower to the left and a coat of arm to the righthand side. At the base there is a pre made opening for an electrical wire. The signature of Roger Guerin and number 48 can been found at the base. The vase/lamp base is in a perfect condition.
