Description

An amazing original Art Deco period occasional table in figured walnut. This was made in England, it dates from the 1930's. This is of super quality, with a stunning and very unusual design. It would work well as a coffee table or an occasional side table, it is a great size and has a useful lower tier. The design is truly beautiful, with stepped edges on the top and legs that come down from the middle of each side rather than the corners. The legs are beautifully moulded, the attention to detail is very impressive. We have had this stripped and re-polished to a very high standard, the condition is excellent throughout. This has a gorgeous colour and wonderful figured walnut grain patterns. Width - 49 cm , 19 inches Depth - 49 cm , 19 inches Height - 60 cm , 24 inches
