Description

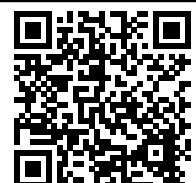

This is a very elegant antique Georgian tub chair. It stands on tall mahogany legs which are capped with brass casters. The design for this piece is ageless and will fit well into a number of interiors. Originally this chair would probably have had a seat cushion but we can either add one during upholstery or if you prefer we can build up the fixed seat. This Georgian armchair is an ideal size for everyday use reading or as a desk chair. Height 84cm Width 64cm Depth 68cm Depth of seat 50cm Height of seat 33cm (On my website) If you would like this armchair upholstered please click yes in the upholstery drop down menu. This would require 3 metres of material. You can supply your own or please browse our collections under the material section. All my antique armchairs have been fully restored, springs, legs, padding etc so these will stand the test of time even if used everyday. Price includes UK mainland delivery
