Description

This is a very elegant English antique country house sofa. Stunning design with a very deep seat. Ideal for lounging in daily. The front has an unusual curve which I love and the whole stance of the piece commands a space. An unusual antique sofa standing on dark cabriole legs, it will certainly make a talking point in a number of interiors. The scroll arms are large which will set off the material very well once upholstered. Measurements Height 68cm Width 220cm Depth 95cm Depth of seat 62cm Height of seat around 44cm (On my website) If you would like this sofa upholstered please click yes in the upholstery drop down menu. This would require 12 metres of material. You can supply your own or please browse our collections under the material section. All my armchairs and sofas have been fully restored, springs, legs, padding etc so these will stand the test of time even if used everyday. Price includes UK mainland delivery
