Description

This is a rare pair of antique serving jugs. An English, hand-forge copper ewer with Arts & Crafts taste, dating to the late Victorian period, circa 1900. Wonderful hand-crafted appeal with strong Arts & Crafts taste. Displaying a desirable aged patina and in good order. Hand-beaten copper shows superb orange hues. Of tapering form, narrowing at the delightful domed, hinged lid. Wrought iron handles show the natural forms inherent to Art Nouveau. Unmarked as such, but of the quality and influence of Liberty & Co, London. This is a charming pair of antique serving jugs, with wonderful finish and colour. Delivered polished and ready to display.
