Dimensions

Height = 17 cm (6.7")

Description

Danish sterling silver gilt and enamel Christmas Spoon. 1954. These spoons were started by silver smith Anton Michelsen, Copenhagen in 1910. They made a different shape and pattern every year, with different designers creating a varied Christmas theme. This design is called "Cornets" and was designed by Soren Sass. The spoon is 17cm long and is in excellent condition.
