Description

A large and unusual early 20th century antique oak monk's seat or hall seat with flip over top. The monk's seat has a large, octagonal shaped back rest with decorative carved detail. The top flips over and rests on the arms to create a useful table top. The monk's seat has open arms that are raised on turned supports. The solid oak seat is raised on four square and turned legs with straight stretcher supports. An unusually large example with attractive carved detail throughout. Item Ref; M-2730 . DIMENSIONS: Height – 149cm / Width – 104cm / Depth – 64cm / Seat Height – 48cm / Table Top Height – 77cm . CONDITION REPORT: In good antique condition throughout with some signs of age. There is surface wear in places including some age-related marks to the seat and the table top (pictured).
