Description

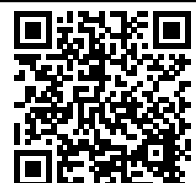

An antique 19th century rustic trunk with hand painted detail to the front panels and decorative escutcheon. The trunk includes its original hinges and handles, keeping this rustic trunk a true authentic piece. Item Ref; M-3121 . DIMENSIONS: Height – 51cm / Width – 93.5cm / Depth – 57cm . CONDITION REPORT: In worn rustic condition throughout with many signs of age and wear. There are losses to the bottom corners of the rustic trunk, and evidence of historic woodworm, however this is now long gone and has been fully treated as precaution. There is a shrinkage gap to the top, however this does not compromise the piece, and it remains structurally solid and sound. That said, the hinges are original and are a little loose, so there is some movement in the lid. Our carpenter inspects, repairs, and restores our items, so you can have full confidence that what you buy from us is ready for your home! We ask that you take the time to look at all the photos as they form part of the description and condition report of the item. .
