Description

Royal House Antiques is delighted to offer for sale this absolutely stunning and very rare original Ships Pitch Pine Refectory dining table with Phosphor Bronze feet and fittings. Please note the delivery fee listed is just a guide, it covers within the M25 only for the UK and local Europe only for international, if you would like an accurate quote please send me your postcode and I'll provide you with the exact price. A truly sublime piece, I have never seen another genuine ship table of this size before, one serving table came up but never a genuine usable refectory dining table. This is just about the most amazing looking thing I have ever seen, the table top shows every bit of its 140-160 years of use. It is pitch pine which is nicely burred and expertly joined. The feet and exposed bolts are bronze, the feet are intentionally turned inwards for stability on the ship, they can be turned outwards should the new owner wish. We have deep cleaned, hand condition waxed and hand polished the piece from top to bottom, it has as mentioned an amazing patina throughout. Dimensions: Height:- 76.5cm Width:- 249cm Depth:- 121cm.
