Description

An antique 19th century satin birch bureau desk with a beautiful rich colour throughout. The bureau has inlaid detail on the fall front and drawer fronts. The fall front is supported by two pull out arms and opens to reveal a fitted interior to include small central cupboard and various pigeonholes. Item Ref; M-3032 . DIMENSIONS: Height - 111cm / Width - 108cm / Depth - 52cm / Desk Height - 80.5cm . CONDITION REPORT: In good antique condition throughout with some signs of age and wear. There are losses to the drawer surrounds, however, despite this, this antique satin birch bureau remains a very neat looking piece. There is surface wear in places including some age-related marks to the top and front, and there are small losses and repairs in places, these do not affect the integrity of the piece. There is also, some evidence of historic woodworm, however this has long gone. Our carpenter inspects, repairs, and restores our items, so you can have full confidence that what you buy from us is ready for your home! We ask that you take the time to look at all the photos as they form part of the description and condition report of the item. .
