Description

A Victorian oak Pembroke table or drop-leaf table. The Victorian oak table has a two-plank top and two drop leaf sides, making it ideal for small spaces. There is a fitted drawer to one side and a dummy drawer to the other. The table has a beautiful colour and patina throughout and is a charming piece. Item Ref; M-3025 . DIMENSIONS: Height - 72.5cm / Width - 53cm / Width Extended - 102.5cm / Depth - 94cm . CONDITION REPORT: In good antique condition throughout with some signs of age. There is notable surface wear in places including some noticeable marks and stains to the top (pictured). There are signs of historical woodworm to the underside, however this is long gone and has been treated as precaution. There are losses to one of the drop leaves, however this does not affect the integrity of the piece. Both drop leaf supports are strong and sturdy, and the Victorian oak table is structurally solid and sound. Our carpenter inspects, repairs, and restores our items, so you can have full confidence that what you buy from us is ready for your home! We ask that you take the time to look at all the photos as they form part of the description and condition report of the item...
