Description

A chair for Scottish Nationalist and British Unionist debate! A wonderful late Victorian walnut framed and cast iron based revolving office chair. This chair is a beautifully finished with a new double-sided Union Jack/ Scottish Saltire swab cushion on the seat that has never been sat on. The chair is extremely solidly constructed and far exceeds the quality of its modern equivalents & is really heavy. The chair would make a great addition to the home office or man cave with the upholstery giving a very funky feel. Make it yours today! Please see the other similarly upholstered chairs we have for sale. Seat with cushion 51cm, seat height without cushion 45cm
