Description

A fantastic example of a genuine Floorcloth design sample book dating from 1911. It is completely original and contains approximately 95 samples. It is bound in a hard cover which is titled "Floorcloth. S.O and C. Qualities. 1911". It is in excellent condition for its age and the samples themselves are bright and vibrant with no obvious damages or excessive staining or marks. The cover is in good order with some general scuffs and light knocks and marks and a very small split along the back seam (see photo) but nothing detrimental. More images can be provided. The best description comes from the photos so please look at them all carefully and if you have any questions just ask. Tracked UK delivery £10.
