Description

A high quality quarter striking twin fusee five pillar movement with rise and fall regulation striking on 2 gongs, with its original hold fast and particularly heavy flattened pendulum bob not unlike those found in Vulliamy bracket clocks. In a fine rosewood architectural case of temple form with fluted corinthian pilasters on the front and sides, with ornate fretwork vents. The silvered dial is engraved with foliate scroll work, with roman numerals, chime/silent and regulation dials. The movement is in good original condition and is shown unserviced, this will be serviced and sold with our two year guarantee . 39cm H x 28cm W x 18.5cm D

Internal Ref: 040 Rosewood Bracket
