Description

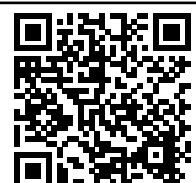

A gorgeous antique Arts & Crafts period armchair in mahogany. This was made in England & dates from around the 1890-1900 period. It is of very fine quality, with a beautifully sculpted and elegant solid mahogany frame. There is lovely satin wood inlay on the back rest, this has nicely curved arms and a stretched base. We have had this re-polished, there was a small hairline crack to the veneer on the upper front of the back rest, that has been repaired and coloured, it doesn't go all the way through the frame. We have had the seat newly upholstered in our cream cotton fabric, this is in excellent overall condition for its age. Width – 23 inches , 57 cm Depth – 19 inches , 49 cm Height – 41 inches , 104 cm Seat height – 17 inches , 43 cm
