Height = 17.1 cm (6.7")

Width = 10.4 cm (4.1")

Depth = 10.4 cm (4.1")

Description

A superb pair of early 18thc Queen Ann brass candlesticks.....they are of the quality you find on the silver examples of these types.....but in brass they are much harder to find..... they stand on a wide octagonal base and have a large central "tear drop" knob and then finished off with a faceted shaped candle socket....both in excellent condition with a good colour. English. C1710-15.

Internal Ref: MS 7333
