Edwardian inlaid narrow bookcase Here we offer you this Edwardian narrow bookcase that was made circa 1900. Bookcases of this width are rare, and very difficult to buy as always there is a family member or friend who wants it before they come onto the market. I was fortunate to be offered this example. The glazed one door top with astragal glazing bars opens to reveal adjustable shelves. Above this is the swan neck pediment. The base section consists of a drawer and cupboard. This bookcase comes into 3 pieces for ease of transportation to and around your home. As this is such a good size it can fit into many places around your home. Imagine how wonderful this will look in your home and the pleasure of ownership it will bring you.
