Description

Gents 1950s Rodania De Luxe wrist watch. The watch has a Swiss 17-jewel hand-winding movement which is working nicely. The watch measures 34mm diameter excluding the winding crown and the lugs. The case is gold filled, a nice thick 80 microns of gold rather than the usual 20 microns of gold plate, which is in good condition. The inside of the case back is signed Rodania Watch Co, Swiss made. The lens is in good condition too. The signed dial is in its original finish with original dauphine shaped hands, seconds sweep and outer minute markers. A new leather strap has been fitted. The watch comes in a new presentation box.
