Item Reference: SA84753

Date of manufacture: 1920

Description

A very clean example of these very popular wallclocks. Unusually, this one is in mahogany. It has nice, plain simple lines making it equally at home in the kitchen, hall, or lounge. It is medium in colour with a nice polished finish. The 8 day movement has just been fully overhauled and serviced. It ticks nicely and keeps perfect time. The clock strikes on the half hour and the hour with a double, two-tone strike (known as a "ting-tang").
