Description

A beautiful and elegant antique Victorian period occasional table in walnut. This was made in England, it dates from around the 1860-1880's. The quality is excellent, there is a beautifully shaped top and exquisite carving on the tripod base. The construction is solid walnut, with stunning burr walnut veneers on the top. We have had this re-polished to a very high standard, the condition is excellent for its age. This has a few old signs of wear under the polish, with a gorgeous colour and characterful overall patina. Width – 23 inches , 59 cm Depth – 18 inches , 46 cm Height – 29 inches , 73 cm
