Description

This is a rare and beautifully designed Georgian period campaign sofa. Made of mahogany and breaks down into two pieces. The back attaches by sitting on some metal rods and then it has a metal hook on every support to ensure the back stays firm when sat on. The quality of this Georgian sofa is superb and with the fact it has a great history as well as being practical it would make a great addition to any room. Back legs are stamped W.F but I am afraid I don't know who the maker is. Height 93cm Width 191cm Depth 74cm Depth of seat 60cm Height of seat 50cm (On my website) If you would like this sofa upholstered please click yes in the upholstery drop down menu. This would require 10 metres of material. You can supply your own or please browse our collections under the material section. All my antique sofas have been fully restored, springs, legs, padding etc so these will stand the test of time even if used everyday. Price includes UK mainland delivery
