Depth = 1 cm (0.4")

Description

This is a most attractive and characterful Sanjabi Bag Face from North West Persia which dates from the late 19th Century. The bag face has a very colourful lattice design of hooked medallions and is framed by pretty stylised floral borders. It has its original closing lappets in good condition. The bag face has a good even pile and complete selvages with only some light wear to the edge. It is a good size, measuring 110 cms by 88 cms and is clean and ready to display. UK delivery is £15
