Description

A magnificent small antique Edwardian mahogany cheval mirror dating from circa 1910. In queen Anne revival design the bevelled rectangular mirror plate in a mahogany surround with arched top rail. The slender supports with brass fittings to adjust the mirror, with turned finials and standing on elegant shell carved scroll legs. Good colour and figuring to the mahogany. The frame has warped over the years; it is solid and adjusts but the supports do not align and the mirror sits off centre. Construction/Wood: Mahogany Condition Report: The frame has warped over the years; but the mirror adjusts and it is solid. Some light foxing to mirror plate (see photos) commensurate with age. Good original patina. Old mended splits to the veneer on the mirror frame in places. Dimensions: Width: 49cm Depth at Feet: 50cm Height: 131cm
