Description

If you are a fan of autumn colours, here is a picture for you! It shows the season from its best angle, with a deep blue sky and luminous hues. With its timeless quality, it is hard to believe this work of art is over 110 years old. The mystery painting - I have not been able to identify the trace of signature at the lower right - is dated October 1908, and certainly is French in origin. On the verso, a mark from the colour merchants', as well as several hand-written numbers and inscriptions. Measuring 16 x 24 cm, the overall framed size is 22.5 x 31 cm.
