Gents 9ct gold Marvin wrist watch

Price

Sold**Item Reference: SA848643****Date of manufacture: 1950**

Description

Gents 9ct gold Marvin wrist watch. The watch has a signed 17-jewel (3 adjustments) calibre 520 hand-winding movement which is working nicely. There are two empty retaining screw holes within the movement, these screws are not required as the design is such that the movement is held in place by the shaped case. The watch measures 30mm diameter excluding the winding crown and the lugs so it would suit a slimmer wrist. The case is 9 carat gold and there are hallmarks inside the case back for London 1958. The case is in good condition, just minor marking but nothing serious. Marvin winding crown. The lens is in lovely condition. The signed dial is in its original finish with original hands, seconds sweep and outer minute markers. There is a little age related marking but overall the condition is good. A new leather strap has been fitted. The watch comes in a new presentation box.
