Description

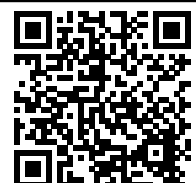

An excellent antique Edwardian duet piano stool in mahogany. This was made in England, it dates from the 1900-1910 period. The quality is fantastic, this is beautifully made from solid mahogany and inlaid with satin wood. The lift up seat contains storage space inside, and this is beautifully finished on all sides. We have had the wood re-polished to a very high standard, and the seat has been re-upholstered in our cream cotton fabric. The condition is excellent for its age. These days, these stools are used in all sorts of places in the home. They are quite useful at the end of a bed or just as window seats.
