A superb pair of antique Swedish Biedermeier period armchairs in tiger birch, dating from around the 1840-1860's. They have a stunning design and are of amazing quality. The tiger birch wood frames have an elegant shape with gorgeous grain patterns and a beautiful colour. They are very well built, comfortable and supportive. We have had the frames stripped and re-polished to a very high standard, they have also been fully re-upholstered in our cream cotton fabric. The condition is excellent for their age. We also have the matching sofa that came with these, available separately and listed under our other items for sale.
