A stunning French antique marble top three drawer commode chest, dating from around the 1890's period. It is of fine quality, and is beautifully inlaid with various woods. The inlay work is amazing throughout, there is marquetry on the sides, floral marquetry on the front, and various bordered patterns and cross banding throughout. There are well cast gilt bronze mounts all over & on the legs. The quality of the gilt bronze handles & escutcheons are also excellent. The drawers have fine dovetails. The original rouge marble top is very thick and heavy, with a wonderful colour. We have had this commode revived & polished, it is in excellent condition for its age.
