Description

Antique Swiss full hunter pocket watch. The watch has a 15-jewel stem-winding movement which is working nicely. The movement is protected by an inner hinged cover which has some surface scratching. The watch measures 50mm diameter excluding the winding stem and the loop. The case is gold plated and was made by the Birmingham based watch case maker Aaron Dennison. Dennisons made cases for various watch manufacturers. The front of the case has some unevenness. The winding crown pushes in to open the front cover. Inside, there is an acrylic lens which is in lovely condition. The lens is in lovely condition and has blued steel hands, a subsidiary seconds dial and outer minute markers. The watch comes in a new presentation box.
