Description

George III mahogany serpentine-fronted enclosed washstand, the rear-hinged top enclosing apertures for a bowl and two soap dishes fitted with a drawer with original brass loop handles on slender tapered legs united by a shaped cross-stretcher with a central turned jug-ring. Circa 1790 John Beazor Antiques is a family firm, established in 1875 and based in Cambridge since 1940. We are a traditional antiques shop, but very much in the 21st century. We deal in 18th and early 19th century furniture, barometers and clocks. We choose our stock for its originality and for the quality of its colour, patination and design. We are members of the BADA. We do not exhibit at fairs preferring to deal from our Cambridge shop where – in normal times – we hold an Open Weekend every November. We hope to run an event in Spring 2022!
