Description

An excellent small proportioned antique Edwardian mahogany chest of drawers. This was made in England, it dates from around the 1900-1910 period. The quality is excellent, this is very well made and is a very useful size. It sits on splayed bracket feet, has fine quality brass handles and a nicely cross banded top. The mahogany has a beautiful, rich colour and lovely grain patterns. We have recently had this re-polished to a very high standard, the condition is excellent for its age.
