Description

A beautiful pair of antique bedside cabinets in burr walnut. These were made in England, they date from around the 1920-1930's. They are of superb quality, are a very useful size and have a gorgeous colour. They sit on shapely cabriole legs, with fine carving around the top edges and knees. Each cabinet has a pull out slide above the door. They have amazing and very striking burr walnut grain patterns on the tops and fronts. We have had these recently re-polished, they are in excellent condition for their age. Width 41 cm, 16 inches Depth 40 cm, 15.5 inches Height 75 cm, 29.5 inches
