Description

A fantastic original antique Georgian chest of drawers of nice small proportions in mahogany. This was made in England, it dates from around the 1790-1810 period. It is of extremely high quality, very well built and heavy for its size. This is solid mahogany throughout, with beautiful brass handles and wide bracket feet. It's a useful size, with plenty of storage space. The mahogany has acquired a gorgeous rich patina over the years, with various small marks and indentations here and there, commensurate for age. We have recently had this revived & polished, it's in very good overall condition. Width – 30 inches , 76 cm Depth – 19 inches , 49 cm Height – 31 inches , 79 cm
