Description

A charming 19th Century painting depicting Anemone flowers in a wicker basket. I love its warm and festive feel, and the great simplicity and the sincerity it exudes. French in origin, monogrammed CH and dated (18)84 at the lower right, I have not been able to identify the artist. Measuring 38 x 46 cm, the painting is presented in its original frame, which has some visible wear and repair. The overall framed size is 46 x 54 cm.
