Description

Art and Crafts style! A lovely early 20th century American walnut side cabinet. The cabinet has three drawers and two stylish lead glazed doors, which open to a shelved interior. The cabinet is fitted with quality brass handles, hinges, and the additional feature of a presentation plaque from Nelson Conservative Club. The cabinet is extremely well made & is as useful today as the day it was made and would provide a great storage solution for the traditional home interior. Please see the other similar furniture that we have listed.
