## Description

A George III period mahogany tray top bedside commode with carrying handles to three sides of a shaped gallery across the front; two well figured doors with astragal mouldings concealing a cupboard, below this is a single drawer and a commode which has been converted into a drawer. In original condition good patination overall. Circa 1760 John Beazor Antiques is a family firm, established in 1875 and based in Cambridge since 1940. We are a traditional antiques shop, but very much in the 21st century. We deal in 18th and early 19th century furniture, barometers and clocks. We choose our stock for its originality and for the quality of its colour, patination and design. We are members of the BADA. We do not exhibit at fairs preferring to deal from our Cambridge shop where – in normal times – we hold an Open Weekend every November. We hope to run an event in Spring 2022!
