Description

A very pretty Victorian fan back armchair, circa 1880, the shaped back over a serpentine shaped sprung seat and raised on mahogany scroll carved cabriole front supports with original brass castors. The chair is structurally in good order, the springs are fine and it only needs new top covers. I can arrange re-covering with my upholsterer and supply fabric - please contact me for details. The back measures 87cm high, the seat is 59cm wide at the front, 56cm deep and 36cm high.
