Description

A stunning and very unusual pair of antique Swedish armchairs in carved satin birch. These were recently imported from Sweden, they date from around the 1920-1930 period. The quality is superb, they have a gorgeous design with very fine carving all around the lower base. The satin birch has a lovely colour tone and beautiful grain patterns. These are well proportioned and very comfortable too. We have had these recently re-polished and fully re-upholstered in our cream cotton fabric. The condition is excellent for their age. These very stylish armchairs are a very unusual design & not a model that I have come across before.
