Description

For your consideration are these large matching Art Deco Pair of figural glass wall lights. Totally authentic these wall lights are in heavy frosted glass with the most wonderful embossed images of a female scantily clad in a dance pose. All held in a gold tone metal frame. These lights are fitted with a standard English bayonet bulb fitting. A candle or pygmy bulb of 25 to 40 watts is what we would suggest. Condition of the glass is very good but there are 3 small chips to the glass on the back of the slip shades. These are very minor and do not show from the front or detract from the sconces in any way, they are just mentioned for accuracy. The frames are also very good condition with only minimal signs of any age. Ideal lighting to bring both glamour and focal point to any room. Slightly larger than normal wall lights so these look very impressive both on and off. Each slip shade measures approximately 11.25 inches (28.5cms) tall by 5.75 inches (14.5cms) wide. Each bracket measures approximately 8 inches (20cms) tall by 9 inches (23cms) wide. Overall, each sconce measures approximately 13.5 inches (34.25cms) tall by 9 inches (23cms) wide.
