Description

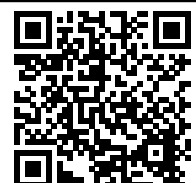

A stunning antique Chippendale style leather wing back armchair. This was made in England & dates from around the 1920-1930's period. This is extremely comfortable and has very generous proportions. It is of fabulous overall quality, with brass studded side panels and a solid mahogany stretched base. The brown leather upholstery is very soft and supple, the seat cushion is feather filled. We have had the leather revived by our leather restorer and the mahogany base has been re-polished, this is in excellent overall condition for its age. The leather itself has a wonderful colour, patina & loads of character. Width – 31 inches , 79 cm Depth – 32 inches , 82 cm Height – 46 inches , 116 cm Seat height – 19 inches , 49 cm
