Description

A good quality antique Georgian chest of drawers in beautifully figured warm oak, standing on bracket feet. It has 2 drawers over 2 graduated drawers all with brass drop handles. A heavy piece of furniture in aged solid oak, with wonderful patina and a really good size, dating from circa 1800. Comes with working key which locks the drawers. It has visible old mends to the top right drawer front and visible filled old handle holes throughout.

Construction/Wood: Oak Condition Report: It has visible old mends to the top right drawer front and visible filled old handle holes throughout. Lovely warm patina to the oak. Handles are good brass replacements (filled marks where original handles would have been). Other wear and marks commensurate with age. Dimensions: Width : 104cm Depth : 50cm Height: 89cm
