Description

This is a very fine and beautiful example of a ladies wristwatch made by the world renowned premier Swiss maker Omega. It has a solid 18ct yellow gold case and is fitted to a beautiful solid 18ct gold bracelet which simply glides around the wrist. This is the Ladymatic model with a calibre 661 automatic movement with 24 jewels. The dial is in wonderful condition and just stunning with gilt and black hands and baton markers. It has the Omega logo on the winding crown. The dial is 20mm square excluding the winding crown. It will fit a maximum wrist size of 6.5 inches or 167mm but this can easily be reduced by any competent jeweller. The case and bracelet professionally cleaned and polished so it is absolutely pristine. As you would expect from Omega the watch is fully marked on the dial, movement and case, the bracelet and case are fully hallmarked. It comes complete with its original presentation box to keep your watch in perfect condition and its paperwork. Omega are one of the most exclusive makers in the world and this watch certainly has that understated elegance which resonates class. Overall this watch is in beautiful condition and looks as if it was h...
