Description

A beautiful pair of antique Swedish armchairs in solid satin birch. These were recently imported from Sweden, they date from around the 1900-1920 period. They are of extremely fine quality, with a gorgeous, sweeping design. They have very generous proportions and are extremely comfortable. There is fine carving acanthus leaf carving on the arms and legs, with claw and ball feet at the front. We have had the frames re-polished to a very high standard. We have also had these fully re-upholstered in our cream cotton fabric, and new feather cushions. The condition is excellent throughout.
