Description

A Super Quality Victorian Desk /Library Table in Mahogany, it has been made in two sections upper and lower, the upper section has two drawers a shelf between the drawers and a mirror above this above the mirror is a full width shelf I am not sure wether these were intended for books or decorative ornaments. The lower section has a burgundy leather insert two drawers and at the back a large mirror there is lots of good quality carving to the whole of this impressive piece of furniture, the Mahogany is light in colour but doesnt appear faded so was initially probably selected for its light colour, A super quality piece that should have a makers label somewhere. The condition is excellent. circa 1870 DIMENSIONS WIDTH 110 CMS DEPTH 64 CMS HEIGHT 173 CMS
